

- a. The contract fee under the **Storage Only Contract** starting **May 24, 2019** and continuing through **August 16, 2019** is due in full on **June 1, 2019**.
- b. The contract fee under the **Summer Housing (nonacademic) Contract** starting May 24, 2019 and continuing through August 16, 2019 is due by the 1st of each month with the first payment due on June 1, 2019 and the last payment due on August 1, 2019.
- c. The contract fee under the **Summer Housing (academic) Contract** comprises of Summer School for a 4 week, 6 week, and/or 12 week session. Payment for each session is due in full on the session's start date, outlined above. The contract start and end dates coincide with the class schedule for that session.

In the event any payment of the Contract Fee is not received in the Management office of the Building prior to the close of the third (3rd) day after it is due, such payment shall be delinquent and the Resident shall pay a late charge equal to five percent (5%) of the amount of the delinquent Contract Fee and such late charge shall be treated as an additional Contract Fee. Any additional charges, such as damages or fines, will be due immediately upon notification.

All Contract payments shall be made without demand or notice by Management. Bills, invoices, or statements will not be sent. This Contract Agreement is notification of payment due dates. Such charge shall be due and payable immediately upon notification to Management of each such instance of non-sufficient funds, and shall be in addition to any late charges assessed as stated above. Management reserves the right at any time during the Term to specify and demand a particular form of payment for all money due, whether such form of payment may be money order or cashier's check.

Resident acknowledges that any payments received by Management will first be applied to any outstanding charges (such as late charges, cleaning fees, damage repair and non-sufficient funds check charges), prior to applying same to the current payment due and payable. In the event the payment tendered is insufficient to pay in full all charges then outstanding, the Resident shall immediately pay the difference, plus any late charges incurred by virtue of the failure of the Resident to pay in a timely manner all sums due from the Resident to Management.

Failure to make payments will not release the Resident from the financial obligations of this Contract. However, failure to satisfy financial obligations by published deadlines or billing due dates may result in any of the following actions by the Management: Locks changed and blockage of access and removal of the Resident's belongings, collection actions, termination of Contract, ineligibility to future housing contracts, denial of future occupancy in any Capstone managed facility at the Management's discretion.

Resident is not required to be present at the time of move-out inspection; however, the Resident may request an inspection appointment for a joint inspection by the Resident and Management. Such appointment must be requested **at least seven (7) days prior to move-out**, and all of the Resident's possessions must be removed by the time of the inspection. If the Resident fails to request a joint inspection with Management within the designated time period, the Resident will forfeit the right to a joint inspection. Resident shall surrender the Premise in a clean and sanitary condition. It is understood and agreed that Resident's failure to follow the established move-out procedure and return all keys and access cards to Management may result in additional charges.
13. **Responsibility for Damage or Loss:** Resident's signature on the Room Condition Report ("RCR") acknowledgement form establishes the Residents' acceptance of the condition of the Premises and its contents at the time of initial occupancy, and therefore, this RCR becomes the standard for the condition of the Premises and its contents at the termination of occupancy. Resident acknowledges that they may be billed for any discrepancies found between check-in and check-out RCRs.
14. **Expense of Misuse and Charges for Damages:** Any damage to the Premises, other than normal wear and tear, will be charged to the responsible party or parties to the extent that they are identifiable Resident shall immediately report to Management and the local law enforcement authority any acts of vandalism to the Building or the Premises. To the extent that damage or vandalism is not attributed to a specific individual, all co-Residents of the damaged or vandalized area (be it the Building or the Premises, depending upon the extent of the damage and/or vandalism) will be jointly liable and will be assessed a charge that shall be paid as additional Contract Fees, and may be considered cause for early termination of housing contract. All invoices for damage are for the restitution of the damage that has occurred and must be paid within thirty (30) days from the time the damage has been posted to the Resident's account.

Intentionally or recklessly destroying, damaging, or defacing any area of the Building is prohibited and shall be considered cause for termination of the Housing Contract.

15. **Keys:** Keys are the property of the Owner and/or Management and must be returned at the end of the Resident's occupancy. Charges of twenty-five dollars (\$25) per key will be made for each key not returned or for those requiring replacement during the term of the Resident's occupancy. Resident shall not duplicate keys, nor should the Resident, at any time, loan their assigned key to any other Resident or guest. Resident may request a receipt for all keys returned to Management.

Management reserves the right to refuse acceptance of any ID card that is damaged or fails to clearly display Resident's image.
18. **Transferring Bedrooms / Apartments:** Management and the Owner shall not be liable for any personal conflict of the Resident with any other Residents that reside at the Premises or their guests, invitees, or visitors. Therefore, **a conflict between Residents does not constitute grounds for termination of this Housing Contract by Resident.** Management acknowledges that there may be valid reasons why a request for transfer to different Bedroom / Apartment would be considered and approved. Any Resident desiring a transfer should make a formal written request to Management, including the reason for the requested transfer. Space permitting, if the request is valid and practical, and an inspection of the Resident's current Bedroom is satisfactory, the Resident will be notified of a new assignment. In most cases, Resident will be given a list of available spaces and will be asked to determine, through meeting those currently living in the listed premises, which would best suit their needs. In order to make the transfer process from one bedroom to another run smoothly, the following policy has been established. Residents requesting a premises transfer must comply with the following procedures:
 - a. Submit a written request to the Management office.
 - b. Agree to a specific moving date.
 - c. Arrange for an inspection of current bedroom with Management.
 - d. Agree to pay all Contract Fees and damage costs found by Management to be attributable to the Resident.

19. **Termination by the Resident:** Resident may request termination of this Housing Contract by submitting a Contract Cancellation Request Form to Management. The Cancellation Request Form may be obtained from the Edgewood Commons Office. Said request will be processed and reviewed and the Housing Contract will only be terminated at the discretion of Management, provided that the request and supporting documentation is received prior to the end of the University's Drop/Add period, as described in section 18, Terms of Financial Responsibility for Termination of Occupancy. In all instances, the burden of proof shall lie with the Resident to demonstrate grounds for early termination.
 - a. Supported Cancellation requests
 - i. Withdrawal from FSU, for reasons other than Resident being disciplinarily dismissed.
 - ii. Documented medical condition such that even after reasonable accommodations by Management, it is deemed that the Resident is no longer able to reside within the Premises.
 - iii. For Residents seeking to fulfill academic requirements of the University which require work outside of commuting distance to the University (i.e. study abroad programs or internships or student teaching assignments more than 50 miles from the University).
 - b. Options for all other requests:
 - i. Transfer of contract to the next applicant on the waitlist (requires all vacancies to be filled before the petition will be considered)
 - ii. Contract buy-out at **85%** of its remaining value, due in full upon the approval of the cancellation request.
20. **Terms of Financial Responsibility for Termination of Occupancy:** If Resident does not notify Management in writing, including documentation from the University's Registrars Office or sponsoring University program (if for academic reasons), that they are no longer enrolled at the University and have not vacated the Premises by the end of the University's **Drop/Add period which corresponds to FSU's summer academia calendar**, then the Resident will be responsible for the full Contract Fee amount and will receive no refund. Any move-out or cancellation granted prior to these dates will be subject to proration of the regular Contract Fee. Residents who have been disciplinarily dismissed from the University shall not receive a refund for the semester during which the dismissal occurred. Resident understands that they are financially responsible for the Contract Fees regardless of whether or not they physically occupy the Premises, and that vacating the Premises or failure to occupy the Premises at the beginning of the Contract term does not constitute a release of financial responsibility for the Contract Fees. Resident agrees that in the event that there are any Court proceedings and/or Court costs as a result of a Breach of this lease by Resident, Resident shall be responsible for and pay unto Edgewood Commons any and all of Edgewood Commons reasonable Attorney's Fees and Court costs
21. **Termination of Occupancy by Management; Enforcement of Housing Contract:** Subject to all notice requirements under applicable law, if any, Management may terminate this Housing Contract and cancel the right of occupancy at any time for any reason, in Management's sole discretion, including without limitation: non-payment of any Contract Fee or other fees; health and safety reasons; violation of the Edgewood Commons Resident Code of Conduct and/or the University's "Student Code of Conduct"; failure to remain enrolled as a full-time student and in acceptable standing at the University; or other reasons of sound administration of Management. Upon an event of default by the Resident resulting in the early termination of this Housing Contract, Management may accelerate all amounts payable under this Housing Contract (subject to the Resident's refund rights for failure to remain enrolled in the University set forth above) and exercise any other right or remedy available to Management in law or equity, in accordance with all applicable laws. Resident shall pay to Management all costs of collection incurred by Management upon any event of default, including all reasonable attorneys' fees and expenses.

22. **Eviction:** Upon Management’s termination of the Housing Contract, the Resident is required to immediately vacate the Premises. If the Resident does not immediately and cooperatively vacate the Premises, Management may take any action it deems appropriate, including altering the locks, removal and storage of the Resident’s belongings, etc., to the extent permitted by and in accordance with applicable law.
23. **Hold Over:** If the Resident fails to vacate the Premises, including the removal of all personal belongings brought into the Premises by the Resident or any guest, invitee or visitor of the Resident, on or before the termination of this Housing Contract, the Resident shall pay Management a fee of **One Hundred Dollars (\$100)** for each day, or any portion thereof, that the Resident occupies the Premises beyond the termination of this Housing Contract.
24. **Evacuation of Building:** Resident agrees to evacuate the Building in the case of emergency (including any fire alarms or scheduled drills) at the sole discretion of Management and/or the University. Resident understands that no reduction of Contract Fees will be given in the case of emergency evacuations or drills.
25. **Smoke Detectors, Sprinkler Heads, and Fire Extinguishers:** Resident agrees to immediately notify Management in the event that the smoke detector or sprinkler head equipment becomes damaged, lost, stolen, or otherwise inoperable. Resident also agrees to notify Management immediately if the smoke detectors or sprinkler heads appear to be inoperable. There are two (2) smoke detectors located in the common area outside each bedroom cluster. Resident also understands that fire extinguishers have been installed in the building hallways for emergency use only. Resident also understands that the willful damage, theft, or destruction of any smoke detector, sprinkler head, or fire extinguisher endangers their safety and the safety of others in case of emergency and may be considered a condition of default under this Housing Contract.
26. **Photographic Release:** Resident gives permission to Owner and Management, to use, without liability or remuneration, any photograph or photographic image taken of the Resident while participating in Building sponsored events, or while the Resident is in the common areas, public spaces, grounds, or offices of the Building. The use of the Resident’s photograph or photographic image shall in no way be used in any other forum other than for legitimate business purposes.
27. **Precautionary Measures:** Natural disasters such as storm, wind, or fire are not predictable, but the Resident can deter theft and burglary by taking sensible safety precautions. Resident should keep all doors and windows locked – even when the Resident is home. Many crimes against persons and personal possessions take place in the daylight hours. Resident should mark all personal valuables and appliances with some sort of identification and keep a list of serial numbers in a safe place. This improves the likelihood of personal possession recovery, should a loss occur.
28. **Pest Control:** Resident agrees to report any pest issues to Management for necessary remediation. It is the responsibility of the Resident to keep the Premises clean; if Resident consistently lives in an unsanitary environment, Resident acknowledges and accepts that Management is limited in its ability to address pest situations, and Resident waives the right to hold Management responsible for continual issues. **If Resident fails to promptly report pest control issues, including presence of bed bugs, Resident will be responsible for remuneration for resultant costs.**

Cimex Lectoralis, or the common bedbug, poses a serious issue to common living spaces nationwide. In a proactive effort to keep our communities, please adhere to the following terms.

- a. All of Resident’s belongings must be free of bedbugs upon arrival into Edgewood Commons.
 - b. Resident may not bring mattresses or soft furniture into their Apartment. All secondhand furniture must be thoroughly inspected by the Resident and free of bedbugs prior to bringing it into the building.
 - c. If Resident’s belongings or furniture are found to have bedbugs, Resident must cooperate with Management’s treatment efforts.
 - d. If Resident has been exposed to bedbugs or suspects that they have been bitten by one or more bedbugs, they must notify the Management office immediately.
 - e. In order to confirm or deny the existence of bedbugs in an Apartment, Management will enter and inspect the Apartment and surrounding Apartments potentially infected, during normal business hours without twenty-four (24) hours advance notice.
 - f. Residents within an infected Apartment must prepare their Apartment as instructed by Management for the treatment of any bedbug issues, including preventative treatment.
 - g. Resident’s failure to cooperate with Management’s treatment efforts or a reentry of bedbugs into the building once treatments have concluded will result in all Residents residing within the Apartment to be charged for all treatment costs and resulting damages and expenses.
 - h. Resident may be required to maintain detection devices in their Apartment and notify Management immediately upon any positive detection.
 - i. No diminution or abatement of any rent, payment or other compensation shall be claimed, paid or allowed for inconvenience or discomfort associated with the presence or extermination of bedbugs in the Premises, Apartment, the Building, or any part, thereof.
29. **Community Safety:** Resident SHOULD NOT hold any Building door open for unknown persons. Any individual allowed access to the Building or Premises by a contracted Resident shall be considered a Guest of said Resident, in which case the Resident allowing access would then be held accountable for the Guest’s actions in accordance with the Guest policy outlined above and within the Edgewood Commons Resident Code of Conduct. A Resident should ask to see any strangers credentials if they are unknown before allowing admission to Building or Premises. Resident should instruct solicitors to leave the Building and to contact Management if they do not comply with the request.
 30. **Entering of Premises:** Subject to all notice requirements under applicable law, if any, Management reserves the right to enter Premises without notice and in the Resident’s absence for reasons of health, safety, or general welfare; to make repairs to the Premises and/or furnishing; upon reasonable suspicion of the presence of any illegal substance or activity; or for other suspected violations of federal, state or local law, the Edgewood Commons Code of Conduct or the University’s “Student Code of Conduct”. Resident acknowledges that if under any of the aforementioned circumstances, Management enters the Resident’s assigned bedroom; said staff will always lock any bedrooms that have been entered upon vacating the Resident’s assigned Bedroom, for the safety and security of the Resident. Resident is hereby forewarned and acknowledges that they should always carry any access cards or keys assigned to them on their person, so as not to be locked out of their assigned Bedroom as a consequence of this protocol.
 31. **Fire, Health and Safety Inspections:** Management will conduct a fire, health and safety inspection (“Fire, Health and Safety Inspection”). Management may enter the Premises and Bedroom, without the Resident being present, to conduct the fire, health and safety inspections and any re-inspections that may be necessary. If the Premises is found to be in an unacceptable condition the Resident will have five (5) business days, from the day of the original inspection, to correct the condition of the Premises to a satisfactory condition. Resident will be provided information on what is needed to correct the condition of the Premises. If Resident fails to correct the condition of the Premises any and all costs associated with having the Edgewood Commons Apartments Staff or outside vendor acting on behalf of Edgewood Commons Apartments correct the condition of

the Premises, are consented to and shall be paid by the Resident. Signature of this contract acts as Residents' acceptance of notice of entry for Fire, Health and Safety Inspections; there may not be additional notification of these inspections.

32. **Proper Mold Procedures:** Resident agrees to take reasonable steps in order to prevent or minimize the growth of mold and mildew within the Premises. To prevent or minimize the occurrence and growth, the Resident hereby agrees to the following:
- Remove any visible moisture accumulation in or on the Premises (including, but not limited to, walls, windows, floors, ceilings, and bathroom fixtures),
 - Mop up spills and thoroughly dry affected areas as soon as possible after occurrence,
 - Use exhaust fans in kitchen and bathroom when necessary,
 - Keep climate and moisture in the Premises at reasonable levels,
 - Clean and dust the apartment regularly and keep the Premises, particularly the kitchen and bathroom, clean and dry,
 - Notify Management in writing of any of the following conditions:
 - A water leak, excessive moisture, or standing water inside the Premises,
 - Mold or mildew growth in or on the Premises that persists after cleaning,
 - A malfunction in any part of the heating, air-conditioning, or ventilation system in the Premises.

Resident shall be liable to Owner for damages sustained to the Premises or to the Resident's person or personal possessions as a result of the Residents' failure to comply with the above terms.

33. **Pets:** The presence of any animals or pets in or about the Bedroom, Premises, Building or the Building's grounds is prohibited, with the exception of certified hearing and Seeing Eye Dog/Guide Dog as described below and fish when all Premises roommates agree. No fish tank shall exceed a ten (10) gallon capacity. **Visiting pets are prohibited.** Certified hearing and Seeing Eye Dog/Guide Dog are allowed with the prior notification and written documentation of need for such Seeing Eye dogs/guide dogs to Owner, Management and the University. Owner and Management acknowledge, however, the right of any blind, deaf or otherwise qualified Resident to keep, in the Premises, a service animal that has been certified as being specifically trained to aid the Resident in their handicap upon prior notification and documentation to Management. Residents permitted to have Seeing Eye Dog/Guide Dog agree to pay the cost of having the Bedroom and Premises de-fleaed and de-ticked by a professional exterminator and the carpeting shampooed and deodorized by a professional cleaner at the termination of use. Resident further agrees to pay for any and all damages caused by pets as additional Contract Fees.
34. **No Manager Liability/Insurance Acknowledgement:** Management, the Owner and the University shall assume no responsibility for the theft, destruction, or loss of money, valuables, or other personal possessions belonging to, or in the custody of, the Resident, or Resident's guests, for any cause. Resident is hereby advised that neither Management nor Owner carries insurance on the Resident's personal possessions and Resident is strongly encouraged to secure unit dweller's or similar insurance to cover any loss or damage to Resident's personal property due to such perils as fire, wind, theft, water damage, etc. Resident may choose, at their own risk, to leave personal property in their assigned space during Holiday/Break/Low Occupancy Periods. However, Management strongly encourages the Resident to remove any valuable personal property, lock their doors, and take measures to secure their own personal property. Resident agrees to save and hold harmless Management, the Owner and the University for all injuries of whatever kind or nature occurring on the Premises except as otherwise prohibited by law. The Owner and Management will have no liability or responsibility for not providing housing due to causes beyond their reasonable control, including without limitation: failure by prior Residents to move out in a timely fashion; uninhabitable condition of housing quarters due to damage or otherwise; lockout; or lack of services such as electricity, water, phone or otherwise, unless otherwise expressly provided for by any applicable law.
35. **Parental or Guardian's Guaranty:** As a condition of this Housing Contract, Management requires that the Resident's parent, guardian, or other financially responsible party (a "Guarantor") execute a Guaranty of Housing Contract (herein called the "Guaranty") in the form provided by Management. Resident acknowledges that the delivery of such Guaranty is a material inducement for Management to consent to and enter into this Housing Contract. Management may terminate this Housing Contract if the Guaranty is not fully executed, notarized, and delivered to Management on or before the First Day of Occupancy. Management reserves all rights, both civil and criminal, against any person responsible for any forgery of the Guaranty. The execution of the Guaranty constitutes an additional insurance to Management of the performance of the covenants of this Contract and shall not be construed as a release of the Resident's responsibilities and obligations hereunder.
36. **Permission:** Resident grants permission to Management to contact at any time the Guarantor regarding any issue related to the Resident's occupancy of the Building and Premises. If applicable, the Resident grants permission to Management to request and receive information from the University and for the University to release information regarding the Resident's status as a student in good standing, enrollment status, eligibility for housing, and financial aid eligibility/disbursement status to Management.
37. **Utilities:** Resident is responsible for any and all costs associated with installation and/or monthly service fees or maintenance charges for utility services not expressly assumed by Management herein. Enhanced and/or premium channel Cable TV ("CATV") service and/or any permitted additional service, installation and related monthly fees and charges are the sole responsibility of the Resident. Management shall provide water, heat, electrical, Internet and basic CATV service. Management shall provide refuse removal from the Building; however the Resident is required to place trash into the waste receptacles provided. Resident is to conserve utilities by keeping windows closed when heating/cooling systems are in operation and lights, appliances, and personal electronics turned off when not in use. Resident must maintain heating and cooling at levels generally considered to be comfortable in the judgment of Management and other Residents when the Premises are occupied. When the Premises are unoccupied in the cold weather months, Resident shall keep the thermostat set at 60 degrees. When the Premises are unoccupied in warmer months, the Resident shall keep the air conditioning set in the "off" position. Resident understands that Management may disable air conditioning ("A/C") during sub-freezing weather conditions to prevent ice damage to the A/C equipment. Resident understands that no reduction of rent will be given in the event of a utility problem or during utility repairs and that Management is not responsible for lack of use of utilities during the repair or outage.
38. **Packages:** Resident authorizes Edgewood Commons Apartments to accept or reject packages, parcels, and deliveries on behalf of the Resident. Resident understands that packages, parcels, and deliveries accepted by Edgewood Commons may not be kept in a locked or otherwise secured area. Resident understands that any perishable packages, parcels, and deliveries may not be stored in a climate-controlled environment. Resident agrees to hold Edgewood Commons and Capstone On-Campus Management free of liability or responsibility for packages, parcels, or deliveries should they be lost, damaged, or otherwise harmed. Further, the Resident understand that if they fail to claim such packages, parcels, or deliveries within seven (7) days, the package will be returned to the sender.

39. **Subordination:** This Housing Contract is and shall be subject and subordinate at all times to the lien of any mortgage(s) or deed of trust, now or hereafter covering the Premises or Building in which the Bedroom is located, and to all renewals, modifications, consolidations, replacements, and/or extensions thereof. Resident agrees to execute any documents required to effect such subordination. Resident agrees to execute promptly any document(s) which the Owner or lender(s) may request with respect thereto. In the event that the Resident fails to do so within fifteen (15) days from the date of receipt of written request therefore from the Owner or the lender(s), the Owner shall have the right and is hereby authorized to execute on behalf of the Resident any such document(s). Resident agrees to attorney to any subsequent owner of the Building. Nothing in this paragraph shall be construed to create a property interest on the part of the Resident.
40. **Edgewood Commons Code of Resident Conduct:** In addition to the provisions set forth in this Housing Contract, Resident acknowledges and confirms that Resident has read and is familiar with the Edgewood Commons Code of Resident Conduct, available on Edgewood Commons' website at www.edgewoodFSU.com, and the University's "Student Code of Conduct," available in "Pathfinder." Resident agrees to abide by each of these Codes of Conduct and acknowledges that a failure to do so is an event of default under this Housing Contract. Other reasonable prohibitions may be instituted from time to time to promote the health and welfare of occupants and efficient management of Building. Management may seek to adjudicate violations of said Code of Conduct in the form of an administrative hearing, with the goal of educating the resident and restoring a sense of community among the other residents who may have been involved. Sanctions deemed appropriate to the violations may be issued to any Resident found responsible up to and including termination of this Contract.
41. **ADA Statement:** All persons will be treated fairly and equally without regard to race, color, religion, sex, family status, disability, national origin, or source of income. It is the policy of Management to provide reasonable accommodations and to permit Residents with disabilities to make reasonable modifications upon request, with provision of appropriate documentation of the need for the accommodation or modification.
42. **General Provisions:**
- The conditions and agreements contained herein are binding on and are legally enforceable by the parties hereto, their heirs, personal representatives, executors, administrators, successors and assigns, respectively, and no waiver of any breach of any condition or agreement contained herein shall be construed to be a waiver of the condition or agreement of any subsequent breach thereof or of this Housing Contract.
 - Resident acknowledges that the statements and representations made in the application for said Premises are true; that said statements have induced the Owner to enter into this Housing Contract; that they are deemed a part of this Housing Contract; and that the falsity of any of them shall constitute a breach hereof and entitle the Owner to the same relief as a breach of any other covenant or condition contained herein.
 - It is understood and agreed by the parties hereto that if any part, term, or provision of this Housing Contract is by the courts held to be illegal or in conflict with any law of the state, county or municipality where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Housing Contract did not contain the particular part, term or provision held to be invalid.
 - The paragraph headings appearing in this Housing Contract have been inserted for the purpose of convenience and ready reference only. They do not purport to and shall not be deemed to define, limit, or extend the scope or intent of the paragraphs to which they pertain.
 - Resident acknowledges that, if requested, the Resident did receive, prior to signing, a copy of the proposed Housing Contract form in writing, complete in every material detail, except for the date, the name, and address of the Resident, and the Contract Fee, without requiring execution of the Housing Contract or any prior deposit. Resident further acknowledges that a copy of this final Housing Contract was delivered to the Resident at the time the Housing Contract was fully executed.
 - Altering License Document: Resident understands that any modifications, changes, additions, or deletions of the terms of this License must be signed by both the Resident and Agent in order to be binding.
43. **No Assignment:** Resident expressly agrees that the premises nor any portion thereof shall not be assigned or sublet by the Resident without prior written consent of Management.
44. **Modification of Agreement:** Any modification of this contract shall not be binding upon Management unless in writing and signed by Management. No oral representation shall be effective to modify this Contract.
45. **Missing Persons Policy:** Under federal law, the Resident has the right to confidentially register the name and contact information of an individual that the Resident would like to be contacted (within twenty-four (24) hours) if it is determined that Resident is missing from the campus and/or the Resident's whereabouts are unknown for a period of twenty-four (24) hours or more.
46. **Emergency Contact Information:** Resident has previously provided emergency contact information to Edgewood Commons on the housing application. Resident can adjust emergency contact information via the Resident Portal located at www.edgewoodfsu.com or by submitting a written request to Edgewood Commons by emailing info@edgewoodfsu.com.
47. **Meningococcal Vaccine Waiver:** Residents are encouraged to know their risk and learn about the vaccination. Approximately 3000 people in the United States get meningococcal disease each year and 10% to 15% of these individuals do not survive even with treatment. Bacterial meningitis is a potentially fatal or disabling disease. Freshman living in dorms or other residential living environments are found to have a six-fold increase risk for the disease. A U.S. health advisory panel recommends that college students, particularly freshman living in dorms, learn about meningitis and vaccination.
- What is meningococcal meningitis?** Meningitis is rare. But when it strikes, this potentially fatal disease can lead to swelling of fluids surrounding the brain and spinal column as well as severe and permanent disabilities, such as hearing loss, brain damage, seizures, limb amputation and even death.
 - How is it spread?** Meningococcal meningitis is spread through the air via respiratory secretions (sneezing and coughing) or close contact with an infected person (kissing, or sharing utensils, cigarettes, and drinking glasses). Many healthy people carry the bacteria and never become ill; these individuals are healthy carriers.
 - What are the symptoms?** Symptoms of meningococcal meningitis often resemble the flu and can include high fever, severe headache, stiff neck, rash, nausea, vomiting, lethargy, and confusion.

- d. **Who is at risk?** Undergraduate college students 25 years of age or younger, particularly freshman who live in residence halls, have been found to have an increased risk for meningococcal meningitis.
- e. **Can meningitis be prevented?** Yes. The meningococcal vaccine can be effective in preventing four of the five types of the disease (A, C, Y and W-135). The vaccine is safe, with mild and infrequent side effects such as redness or pain at the injection site. After vaccination, immunity develops within 7 to 10 days and remains effective for 3 to 5 years. As with any vaccine, vaccination against meningitis may not protect 100% of individuals.
- f. **Where is the vaccine available?** The meningococcal meningitis vaccine is available in some college health centers, travel clinics, some county health departments and the offices of some health care providers.
